

All Navy Reunion 2019

25-27 October 2019

Maroochydore, Queensland

Navy Friends,

Given the success of our 2016 All Navy Reunion and the continued interest and enthusiasm for another, we are pleased to confirm that our next **All Navy Reunion** will be held in Maroochydore on the Sunshine Coast over the weekend 25-27 October 2019.

Maroochydore is a great place for a reunion with all aspects of beachside living and shopping within walking distance of accommodation.

I am also pleased to advise that this time around Mark Reading (*Redders*) will be supporting us with the organisation of the reunion. Mark is an ex-Navy communicator and currently the Veteran Services Manager with the Maroochy RSL.

Our key reunion objectives will remain as per our successful 2016 reunion:

- Functions will be within or within walking distance of the Maroochy RSL club
- Key events will be offered at realistic prices
- Opportunity to meet, catch up and mingle with Navy people from all branches

Please find below the outline of our program, financial arrangements, attendance form and some information on accommodation.

Please also note our events venues can cater for up to 900 (standing) and a maximum of 450 (seated), so get your expression of interest in early!
