

ORA Forum:

The ORA Forum was set up for the RDF/RP/CSO community. We want to encourage communication with fellow Oppo's from the R.A.N and other Navies. We are not in opposition to Facebook but, we wish to be another platform for communication.

Our Rules:

Be Kind and Courteous

We're all in this together to create a welcoming environment. Let's treat everyone with respect. Healthy debates are natural, but kindness is required.

No Hate Posts or Bullying

Make sure everyone feels safe. Bullying of any kind isn't allowed, and degrading comments about things like race, religion, culture, sexual orientation, gender or identity will not be tolerated.

Spam

Spam and the relevant links aren't allowed.

Respect Everyone's Privacy

Being part of the ORA Forum requires mutual trust. Authentic, expressive discussions make forums popular, but may also be sensitive and private. What's shared in our forum should stay in the forum.
